Music In The Vineyard

August & I have decided we need to have a little more relaxing time around the vineyard so we thought.....

Light Rock Blues music is a wonderful way to start a relaxing weekend so come out to the winery, sit outside by the vineyard and enjoy the music of **Mike Gallo**. You may bring your own lawn chair and light snack foods but no outside drinks are allowed. We do not reserve seats so it is first come,

first serve. Dress appropriately for the weather
